ing the summer. During the cold weather months, the window box can be a thing of beauty by being filled with dif-ferent varieties of evergreen plants. The background of the window box can be background of the window box can be formed gy using some of the more common averagreens, such as pine, spruce, temlock, cedar arborvitates, etc. But in choosing the material for this background great care must be taken lest the window box become a hodgepodge of coarse, inconsistent and inharmonious evergreens. A safer and better choice will be to use the real dwarf forms of evergreen and adhere to one variety. The pine, spruce, fir and hemick with bur a overgreen and achere to one variety. The pine, spruce, fir and hemicok with but a few exceptions are too coarse in texture for the window box, but there are many varieties of cedar, retinonpora, arborvitae and box, but the last is not so hardy or resistant to winter conditions.

Among the broad leaved evergreens we

may choose from the small rhedoden-dron varieties, mountain laurel, pieris, manhenia, evenymus and others. In front of these may be planted the smaller ever-green, such as wintergreeh, periwinkle and Japanese spurge. Vines which hold leaves, such as English Ivy or climbing evonymus can be so planted to hang gracefully over the sides of the window box. It is evident that the win-ter box will be made decidedly attrac-

late, either. I don't think I ever am late. May be folks think I am too early some times, but I never forgot what my grandmother told me once. That it was better to be ready and not go than to go and not be ready." So I always think that way. What, the use of being late? It bethers others and yourself too.

Well, the first frost arrived last night
but I had already taken in my pants that

I wanted to save, and did remember to cover up what were left out doors. I am sure it has been many years since the first frost held off so late. I was married 39 years ago the first day of this month, and I remember well that fall we had no frost until much later than now. I guess you will know that I'm getting along in years. Well, I was married very young.
Yours with all good wintes.
MA OF GREENE GABLES.

GREETINGS FROM SISTER READY. Dear Editor and Social Corner Sisters Just a few lines on this lovely October informing. I have kept track of you all through our Social Corner paye. What a jolly, happy bunch of people we are. It just makes my mouth water when I read the bill of fare all are served at picules. After all it pays to stand in with the cooks

As the wheel of life keeps turning, it stops long enough for me to jump off, I never know just where the spoke I am on may hand me. Just now I am not goes over to the neighbors or in the han a nest in the west, but right down street.

Chiefe a surprise for me, and quite a Cottage Organ," is grand; and also "Inpleasant surprise. No more dinners with Club No. 1 this season. I met with one of the alsters already.

along? I found one of mine dead this many morning. Deed of old age I guess.

Slim Jim: I think it is about time you got busy with your pen to see what you. Then you see sheep here and there on a lone-some road even if it was some day to meet her in person. I used an officer.

hall which has a scatting capacity of 1,000. The boys of the school waited on the table and gave us a fine dinner. Then we went to the barns and saw the fine Holstein cattle. From there we again crossed the Connecticut river and entered the girls school, went over the state line into New Hampshire, then turned about and started for Connecticut and home. We felt repaid for the time spent.

Chief's Sister. Did you pass my house unday? Bring the child agan. Have Sunday?

Seal jars at once, wrong and neglected to let things go pieces; let this cook till the quince pieces also some ways for working and applies:

only that way, but I must not be too hard, are very tender and press all through a repeat of the pressure the purce and allow 3-4 doing as well as myself, but I find it our sugar for each cup of it. Reheat much better to keep ahead of it and not this purce, stirring constantly, and let boil 20 minutes, then add the sugar (which you have heated slightly in the oven) and continue to cook until thick. White Chover: Thank you I am fine, the change has does me good.

Olga: A pleasant surprise to meet with your sister.

Wrinkle: I enjoyed your letter. I have to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to your right and go on up and up past to Ekonk Hill or from Planness, Mooseup to Ekonk Hill or from Planness, from the old Janetion house over the Providence turnpike till you get up on the hill, where a sign reads. Yountown or sister.

Wrinkle: I enjoyed your letter. I have made a change since I met you in Will-mantic.

I think? had better close. Wishing all the Tanner and Gallup farms. They look so nice and comfortable. And after you climb to the top of that ridge you past farms, schoolhouses and a nice church at Ekonk. There you can see the church at Ekonk. There you can see the church at Ekonk. There you can see the church at Ekonk. SISTER READY
TWO WELL LIKED CAKE RECEIPTS
Dear Sectal Corner Sisters: It has been some time since I have written to the distance so I thought I had better get bingy.
I enjoy reading the lettern every week and look forward to them.
Grace: I hope you enjoyed your visit at Aunty No. 12. Wish I could call on her some sime. If the wind keeps on blowing match harder, I am afraid I will be blown away up here.

Betay: Here are the reading and stone wall in a jump
Church at Ekonk. There yet can see the surrounding country all around. Old cemtary and there; you go past two or more on your way. You can gather berries of all sorts in season, providing you don't tumble the walls down. Nuts. too, and one thios that now moments so guess it won't hurt to park "Lazie" here.

Lazie" here.

Lazie here. "Lazie" here.

Lazie here. "Lazie" here.

Lazie here. "Lazie" here.

Lazie here.

Slim Jim: I think it is about time you got busy with your pen to see what you can do. As long as I have said my little piece, I would like to read yours.

I will send in one of my recipis which a good many people like:

Pork Cake: One-half pound fat salt pork, chopped fine, I fb. ruising, I teased, 2 cups cugar, I cup molasses, 1 pint boiling water, I cups fieur. Pour boiling water over pork to dissolve it.

You can add different kinds of fruit runs well kept cattle.

When you are about two miles from the wishes to the editor and sweial Corner to the farms and nice well kept cattle.

When you are about two miles from the wishes to the editor and sweial Corner salt wishes to the editor and sweial Corner both the special Corner is must plead guilty of a long delay in writing to the Social Corner. Now that the goes to the Briggs cottages and Camp Tip-

other occasionally, who should write first, the guest asking if it is convenient to come and when, or should the hostess send an invitation and set the date?

If you mean just what you have written. That there is an agreed standing invitation to visit each other occa-sionally. You have really supplied the answer. It would be good judgment for Journal new hen house?

Lina: Hope you will be able to return home in time for the next Corner meeting.

Diamond: Hope you can come to the meeting in Lebanon.

Rashel: Yes, you can come and saw wood any day, as we need it more than we did when you were here before.

If this escapes the scrap basket shall be surprised.

H. M. L.

Answer. It would be good judgment for the time comes for the time then the time comes and the time comes any time and find out if it would be agreeable for her to come on the date she had not be convenient for some reason it would would like to know her address and not be convenient for the hostess to have her at that time then she should sak her to please advise when she could set the time.

If the party lives in the same city with many, I have taken from the paper and

working up quinchs

Working up quinchs

Dear Sisters of the Corner Probably not of you have completed your caiming and are proudly showing the preserves rou have done up for the winter.

With her lines she could set the same city with ther and she is invited to come to din her or lunch at any date then she should go whenever she has the included and time.

Emily A. Dayville: Excessive worry rou have done up for the winter. you have done up for the winter.

Like many others I have been busy this fall and have about finished such work except possibly a little more grape juice. I am sending my method of doing up quinces which some may like:

Quince Preserves—Peel the onlines.

Emily A. Dayville: Excessive worry may cause congestion, as you say you get blue. Constipation will cause congestion. There is a form of congestion baused by fibrous masses under the scale tisses of the neck. This sort of congestion is relieved by massion.

beste by boiling the small ones week if you only get at it. Anyway, since which have been sterilized (that is, boil-quently falls to exercise a restraining of and remove the skine.
